1. INTRODUCTION

1.1 Dr JS Moroka Local Municipality encourages culture of good governance and whistle blowing. The employees are often the first to realize when something has gone seriously wrong within the Council. However, they may not come out and express their concerns because they feel that doing so would be disloyal to their colleagues or to the Council. They may also hold back in fear of harassment or victimization. In these circumstances it may be easier to ignore the concern rather than report what may just be a suspicion of malpractice.

1.2 Whistle Blowing Policy makes it clear that you can do so without fear of victimization, subsequent discrimination or disadvantage. This policy is intended to encourage and enable employees and the public to raise serious concerns within Dr JS Moroka Local Municipality rather than overlooking a problem or 'blowing the whistle' outside.
