PUBLIC NOTICE: LEARNERSHIP SCAM ALERT

07 June 2024

The Dr JS Moroka Local Municipality would like to inform and alert the public to be wary of the water and sanitation learnership scam by the fraudster who introduces himself by the name of Patrick with cell phone number 066 058 8457, deceiving people to send him R350 to secure them non-existent learnerships at the Municipality. The Municipality does not have any learnerships at the present moment and does not sell jobs.

The genuine municipal jobs are communicated with comprehensive information such as the contact details, positions and other requirements, always be cautious should such details be vague.

The Municipality does not charge fees for job applications, be aware of the adverts requesting payment for application form or processing of the applications or calling for interviews.

DRJSMLM only posts jobs on its official sites, always rely on the official communication channels for the legitimate municipal job opportunities. If you receive or spot any suspicious job requests about the Municipality, kindly report it to info@moroka.gov.za
