

## **CENTRAL SUPPLIER DATABASE REGISTRATION NOTICE**

National Treasury has issued MFMA Circular 81 pertaining to a Web-based Central Supplier Database (CSD) for the registration of prospective suppliers. As of 1st July 2016, all suppliers who intend doing business with municipalities and all government departments, must be registered on the Central Supplier Database. The Central Supplier Database is a single database to serve as the source of all supplier information for all spheres of government. The benefit for the private sector will be a reduction of red tape and administrative effort when doing business with government DR JS Moroka local Municipality hereby invites all current as well as interested prospective suppliers of goods and services to in future register on the Centralised Supplier Database or update their existing details.

### **The CSD will automatically validate the following registration documents for Municipalities.**

- Confirmation and status of Business Registration Documents
- Proof of Bank Account Registration
- Tax Compliance Status
- Employee in the service of state as defined in the Municipal SCM Regulations with information only available in the PERSAL system at this time, namely National and Provincial officials
- Identity Documentation
- Tender defaulters and Restrictions Status

### **All suppliers will be required to complete the required information on the CSD website: <https://secure.csd.gov.za>**

A valid email address, identity number, cell phone number and bank account details are mandatory to register on the CSD. No proof of documentation is necessary as the CSD will electronically validate and authenticate all the information. Your entity will be issued with a unique CSD number starting with (MAA...), which will be used as reference and must be quoted on all quotations and tenders.

### **Failure to register may result in Municipality not being able to conduct business with your company / entity.**
